MISSISSAUGA, ON – November 21, 2024 – Systems With Intelligence today announced it has been awarded a place on the [Deloitte Technology Fast 500™](#), a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies in North America.

Systems With Intelligence’s chief executive officer, Angelo Rizzo, says, “We are absolutely thrilled to be on the Deloitte Technology Fast 500 list again this year. It is the hard work, relentless innovation, and exceptional customer support our team has demonstrated to drive our company’s growth, and strengthen our bond with our utilities customers, who are at the heart of everything we do.”

“For 30 years we’ve been celebrating companies that are actively driving innovation. The software industry continues to be a beacon of growth, and the fintech industry made a strong showing on this year’s list, surpassing life sciences for the first time,” said [Steve Fineberg](#), vice chair, U.S. technology sector leader, Deloitte. “Significantly, we also saw a breakthrough in the performance of private companies, with the highest number of private companies named to the list in our program’s history. This year’s winners have shown they have the vision and expertise to continue to perform at a high level, and that deserves to be celebrated.”

“Innovation, transformation and disruption of the status quo are at the forefront for this year’s Technology Fast 500 list, and there’s no better way to celebrate 30 years of program history,” said [Christie Simons](#), partner, Deloitte & Touche LLP and industry leader for technology, media and telecommunications within Deloitte’s Audit & Assurance practice. “This year’s winning companies have demonstrated a continuous commitment to growth and remarkable consistency in driving forward progress.
